East Sussex Primary Pool

East Sussex Local Authority has over 20 years experience in operating a highly successful system for the recruitment of Newly Qualified Teachers (NQTs) for Early Years Stage 1 and Stage 2 for our 155 primary schools.

East Sussex schools recruited 91 primary NQTs for September 2009, 51 of these teachers were recruited via the primary pool.

We are now accepting application forms from students who will be qualifying to teach by July for the Primary Pool 2010/2011.

East Sussex County Council has had a strong commitment to education and improving children's life chances for many years, and to deliver our vision of learning in the 21st century we know we need to attract the best teachers. That's why we don't simply rely on the natural beauty of our county, its good communications and quality of life to attract new recruits. We know that teaching can be exciting, stretching and uniquely rewarding. It can also be demanding and the level of accountability is high. Children and young people from a range of diverse backgrounds influence everything we do in East Sussex, ensuring the child's point of view is fully represented. This is achieved through established user groups such as our Children in Care Council or the Youth Cabinet, both of which have had a significant impact locally and nationally. This helped us become the highest performing Children's Services in the south east and the best performing County Council, Children's Services in the country. Safeguarding is regarded as one of our strengths.

What can East Sussex offer you?

There are 191 schools across the county including infants, junior, primary, special and secondary, from small rural to large urban, so you can be sure there will be one that suits and needs you. NQTs are appointed through our primary pool or secondary teachers' register. Teachers are also recruited through application to individual posts. We have well developed support networks for NQTs and offer a wide variety of tailored courses to guide you through national standards for induction and onto a career ladder of professional development. We also offer a full range of professional development opportunities. A great place to live

Located on the south coast of England, we have beautiful coastlines and many delightful coastal towns and villages. Inland are large Areas of Outstanding Natural Beauty, including the Sussex Downs and Ashdown Forest, and many picturesque towns and villages such as Lewes, Rye and Battle. We also have a number of schools in urban areas including Hastings, Eastbourne and Uckfield. We have a direct link to France, with the Newhaven-Dieppe ferry; the city of Brighton and Hove is just on our western border; and we are only about an hour's train journey from London, with Gatwick as our nearest airport. As a teacher in East Sussex you will have access to support with buying a home. For further information on the scheme contact the zone agent at www.homebuyoptions.co.uk
