

# Lewes Bonfire Night Bus Arrangements

There will be a number of road closures and stopping restrictions, with many bus services stopping only at the lay-by opposite Caffyns in Phoenix Causeway. Whilst every effort will be made to run services as below, passengers are advised that delays are very likely.

## **Brighton & Hove Bus Company Services 28/29/29B/29X/N29**

All stops from the Ashcombe roundabout to Earwig Corner will be suspended for the duration of this diversion. All services, both to and from Brighton, will, however, stop in the layby opposite Caffyns in Malling Street. Company officials will be in the area to assist passengers.
