

### DFT Pothole Action Fund Report March 2018

East Sussex County Council was allocated £846,000 and an additional £589,369 as part of its share of the Government's Pothole Action Fund during 2017/18.

The County Council has targeted these funds on preventative surfacing and patching works across the County, to stop the formation of potholes.

The following tables show where these works have been carried out:

Patching:
