## List of Suggested Potential Future Scrutiny Review Topics

Suggested Topic	Detail
Developing Care Markets/Bedded Care Strategy	Following an initial scoping exercise of issues relating to the developing care market and the Council's bedded care strategy, the Committee agreed on 14 November 2019 to postpone for 18 months further scrutiny activity on this area. This will allow the Adult Social Care department to continue to develop its workstreams in relation to this area of work.
Elective Home Education	Issues relating to the increase in the numbers of children being home educated. The Committee were informed that a relevant Private Member's Bill has not yet completed its progress through Parliament. The expectation is that national guidance will follow in due course (although there is not a clear date for this). The Committee therefore agreed to revisit this subject once the Government has published its guidance.
