Total number of CQC registered care homes in your area:

Please submit local plans (covering letter and this template) to [CareandReform2@communities.gov.uk](mailto:CareandReform2@communities.gov.uk) by 29 May

**Complete**

*\*Please enter the number of registered Care Homes in your local area, where the corresponding action or support is in place*

| Key COVID19 Support Actions for Care Homes   | *Number of Care Homes<br>(Please see note above) | Would additional support be helpful to progress implementation further? (Yes/No)<br>If Yes, please offer a brief description of the type of support that would be helpful | Please indicate any issues that you would like to highlight (optional)  |
|--|--|---|---|
| <b>Focus 1: Infection prevention and control measures</b>  |  |   |   |
| 1. Ability to isolate residents within their own care homes  | 175  | No  | Circumstances vary, it is not always advisable to move residents within a home that has existing Local care homes have flagged that there is difficulty in managing needing external staff support to cover This situation will be monitored through direct dialogue with providers, and the use of the new ICF   |
| 1) Actions to restrict staff movement between care homes   | 153  | No  |   |
| 2) Paying staff full wages while isolating following a positive test   | 78   | No  |   |
| <b>Section complete</b>  |  |   |   |
| <b>Focus 2: Testing</b>  |  |   |   |
| 2. Registration on the government's testing portal   | 142  | No  | This is being actively encouraged through our Provider Bulletins and other forums, we will also continue to seek Local care homes have flagged that there is difficulty in managing needing external staff support to cover This situation will be monitored through direct dialogue with providers, and the use of the new ICF                                       |
| 1) Access to COVID 19 test kits for all residents and asymptomatic staff   | 68   | No  |   |
| 2) Testing of all residents discharged from hospital to care homes   | 136  | No  |   |
| <b>Section complete</b>  |  |   |   |
| <b>Focus 3: Personal Protective Equipment (PPE) and Clinical Equipment</b>   |  |   |   |
| 3. Access to sufficient PPE to meet needs  | 180  | No  | This is an ongoing risk for our whole health and social care system, with feedback from care homes that there is low This opportunity will continue to be promoted via the Provider Bulletin, and feedback will be sort via virtual forums and  |
| 1) Access to medical equipment needed for Covid19  | 150  | No  |   |
| <b>Section complete</b>  |  |   |   |
| <b>Focus 4: Workforce support</b>  |  |   |   |
| 4. Access to training in the use of PPE from clinical or Public Health teams   | 174  | No  | This will continue to be actively promoted via the Provider Bulletin and other mechanisms to encourage take up and This opportunity will continue to be promoted via the Provider Bulletin and other mechanisms to encourage take up and Activity will take place where this is required in the context of the range of priorities and specific issues raised by care |
| 1) Access to training on use of key medical equipment needed for COVID19   | 145  | No  |   |
| 2) Access to additional capacity including from locally coordinated returning healthcare professionals or volunteers | 86   | No  |   |
| <b>Section complete</b>  |  |   |   |
| <b>Focus 5: Clinical support</b>   |  |   |   |
| 5. Named Clinical Lead in place for support and guidance   | 109  | No  | Progress will be monitored by our Health and Care System to ensure a clear offer and fit with our wider integration Progress will be monitored by our Health and Care System to ensure the full offer is understood, and fits with our  |
| 1) Access to mutual aid offer (primary and community health support)   | 175  | No  |   |
| <b>Section complete</b>  |  |   |   |
