- Chairman and Vice Chairman of the County Council, Chairs of a Committee, Sub-Committee or Panel or members of the Cabinet or a substitute nominated by them;
- Nominated Committee or Sub-Committee Spokespersons of minority parties.

#### **4. Subsistence Allowances**

Subsistence allowances up to the limits of the overnight subsistence rates in Annex 2 will be paid where the performance of one of the duties specified in paragraph 3 above involves an overnight stay. Otherwise a subsistence allowance shall not be payable. Members will be expected to meet any such expenses from their Basic Allowance.

In the following circumstances where the duty does not go over to a second day, the Council will meet the cost of an overnight stay:

- a) following an invitation in their capacity as a postholder within the County Council, the member is undertaking an official duty or attending an official function and, because it finishes late in the evening, it is not practicable or reasonable for the member to get home on the same day, for example the member has another County Council engagement on the following morning and to go home and return for the following day's engagement would involve the member in a significant travelling claim when set against the cost of the overnight stay; or
- b) a member has been appointed by the County Council to attend a conference or meeting outside of East Sussex and the start or finish time mean that it is impracticable or unreasonable for the member to travel to the venue or home on the day of the meeting or conference.

"Postholder" within this context shall cover those positions set out in paragraph 3 (n) of the Members' Allowances Scheme.

#### **5. Dependents' Carers' Allowance**

The Council will pay an allowance in respect of costs necessarily incurred by councillors in making arrangements for the care of children or other dependants living with them, to enable them to perform any of the duties listed in section 3 above. The allowance will normally be the actual cost up to £10.00 per hour. Councillors must sign a certificate verifying that they have incurred the costs claimed. Payment will not be made where the carer is a member of the councillor's family.

#### **6. Telephones**

The Council provides a mobile phone to any councillor who requests one on the basis that it is for County Council business use only.

## **7. Co-optees' Allowance**

An allowance of £35 per hour shall be payable to the Independent Persons appointed in relation to standards issues.

## **8. Amendments to the Scheme**

Amendments to the scheme may be made at any time in accordance with Regulation 10 of the Local Authorities (Members' Allowances) (England) Regulations 2003.

The Assistant Chief Executive is authorised:

- after consultation with the Chief Executive, to implement revised rates for members' allowances, including payments for travelling and subsistence; and
- after consultation with the Chair of the Governance Committee, to approve additions to the list of outside bodies for which members may claim travelling expenses

and to amend the Members' Allowances Scheme accordingly.

The allowance figures shall be updated annually in line with the percentage increase in the salaries of managers who are on locally negotiated pay.

## **9. Payment of allowances**

Basic and special responsibility allowances will be paid on the last working day of the month to which they relate. Travel expenses will be paid at the end of the following month, subject to receipt of a claim form.

Claims for travelling and subsistence allowances shall be submitted to the Democratic Services Manager within two months of the duty for which the allowance has been claimed. Claims received after the expiry of this period will only be paid in exceptional circumstances.

If a councillor becomes or ceases to be eligible for a Basic or Special Responsibility Allowance during the course of a year the entitlement will be adjusted by reference to the number of days for which entitlement existed relative to the number of days in that year.

Where a councillor is suspended or partially suspended from his or her responsibilities or duties as a member of the Council in accordance with Part III of the Local Government Act 2000 or regulations made under that Part, the part of Basic Allowance and any Special Responsibility Allowance payable to him or her in respect of the period for which he or she is suspended or partially suspended shall be withheld if so decided by the Standards Committee. The Committee may also decide that travelling or subsistence allowances shall not be paid to a member during the period of any suspension or partial suspension.

## **10. Election not to receive payment**

Members who do not wish to receive payment of allowances shall notify the Assistant Chief Executive in writing. Any entitlement up to and including the day before the election is received will be paid in accordance with the details under paragraph 9 (Payments) above.
