

Updated figures for calculating development contributions with effect from 1 January 2015

The contributions have been updated to provide revised costs for 2014/2015. Revised costs will be applied to East Sussex County Council responses to consultations received from 1 Jan 2015.

These figures replace the costs within Updated Information on Stress Areas and Contribution Costs with effect from April 2012' which provided costs for the financial year 2012/2013. Costs index the 2008/2009 figures (including those issued by the Department for Education (DfE)) to the BCIS All in TPI.
