Agenda point		Action
1. 1.1 1.2 1.3	Welcome, apologies and introductions Councillor Maynard opened the meeting. Apologies received from Councillor Simmons and Councillor Pragnell. Nick Skelton apologised for the delay in sending out the papers for the meeting.	
2. 2.1 2.2	Review actions and agree notes of the previous meeting 3.1 - A query was raised as to how long the agreement to support bus services was for. NS confirmed this was just one year and that the project team were still reviewing this. The figures on the finance sheet are indicative only. 5.1 – Policy and budget for dropped kerbs were discussed. Details to be sent out with the minutes.	NS
3. 3.1 3.2 3.3	Operational update AW presented the report School enforcement and the use of CCTV was discussed. KH advised they do prioritise schools with the biggest issues but that more support from the Police would help. The Board asked for it to be noted that there was a request from them for the Police to join the CEOs for school enforcement activities. A mobile CCTV unit to be investigated before the next meeting. CEO camera badges were discussed and the Board supported the use of these. DW explained that a report was being worked on to promote their use.	DW
4. 4.1 4.2 4.3	Parking surplus allocation No funding requests were submitted. NS presented the finance sheet. An update on real time passenger information was requested. NS explained this is currently in the testing phase and that once complete the next phase is to roll out to Eastbourne and Hastings. An update on	

4.4	timescales to be sent out with the minutes. The TRO review work is nearing completion. A list of the new restrictions to be sent with the minutes.	NS DW
5.	AOB	
5.1	A problem was reported with vehicles parking in the loading bay outside the cinema obstructing access. KH advised this area is patrolled regularly. DW to check the signs and lines.	DW
5.2	Inconsiderate parking in the High Street / Croft Road area was discussed; blue badge holders are parking blocking the road. KH advised they will increase patrols in the area and focus on the problem. DW to investigate introducing a loading ban.	DW
5.3	Vehicles parking dangerously at the top of Croft Road near the allotments were discussed. DW to investigate marking bays to prevent this.	DW
5.4	Parking issues around Robsack School in Hollington were presented with a request for enforcement. KH to ensure this is addressed.	KH
5.5	DW reminded all that any issues or requests for enforcement could be called through to the parking shop at the time the problem is known.	
6.	Next Joint Board meeting	
6.1	Wednesday 28 January 2015 2pm to 3pm Hastings Town Hall, Room CR1
